Introduction to Ecological Gardening Pt. IV: Basic Garden Ecology 

Ecology for Gardeners: Steven B. Carroll and Steven D. Salt. This title argues that the more completely we understand these interactions, the better gardeners we become. Even a relatively small garden is a miniature ecosystem. It includes a surprising diversity of organisms that interact in a myriad of ways. This title includes a surprising diversity of organisms that interact in a myriad of ways. Even a relatively small garden is a miniature ecosystem. It includes a surprising diversity of organisms that interact in a myriad of ways. Alpine Plants: Ecology for Gardeners. John E. G. Good.
