Talking to Young Children about Adoption - Adopt Vietnam
Talking with Young Children about Adoption has 70 ratings and 13 reviews. Emily said: Absolutely one of the best books I've read regarding adoption. The book starts with conversations for parents of very young children. Mary Watkins and Susan Fisher examine 11 different topics, and they do so in a way that is accessible. The book covers how to talk about adoption with children of different ages and stages, and it provides a wealth of information for parents who are looking for guidance on how to talk about adoption with their children. The book is divided into 11 chapters, each focusing on a different topic, such as "The Adoption Process," "The Birth Mother," and "The Adopted Child." Each chapter includes a short overview of the topic, followed by tips and advice for parents on how to talk about adoption with their children. The book also includes helpful resources and references for parents who want to learn more about adoption. Overall, this book is a valuable resource for parents who are looking for guidance on how to talk about adoption with their children. Mrs. Mary Watkins and Susan Fisher, "Talking with Young Children about Adoption."
